

The Moody Blues, Dawn: Dawn Is A Feeling

Dawn is a feeling
A beautiful ceiling
The smell of grass
Just makes you pass
Into a dream

You're here today
No future fears
This day will last
A thousand years
If you want it to

You look around you
Things they astound you
So breathe in deep
You're not asleep
Open your mind

You're here today
No future fears
This day will last
A thousand years
If you want it to

Do you understand
That all over this land
There's a feeling
In minds far and near
Things are becoming clear
With a meaning

Now that you're knowing
Pleasure starts flowing
It's true life flies
Faster than eyes
Could ever see

You're here today
No future fears
This day will last
A thousand years
If you want it to
