

The Moody Blues, I Don't Mind

I don't mind your love,
I don't mind the one you're thinking of
'Cause I know, baby I know,
You're going to miss me.
I don't mind, he loves you so,
I don't mind, it can't grow cold
'Cause I know, baby I know,
You're going to miss me.

Baby, tell me what you've got to say.

I don't mind, this is all of my song.
I don't mind, goodbye, so long.
'Cause I know, I know,
You're going to miss me.

Baby, can you ever let me go?
You know, you know that I love you so.
Why'd you ever leave me?
Why'd you ever leave me?
Oh, so we will die
