## The Moody Blues, I Don't Mind

I don't mind your love,
I don't mind the one you're thinking of
'Cause I know, baby I know,
You're going to miss me.
I don't mind, he loves you so,
I don't mind, it can't grow cold
'Cause I know, baby I know,
You're going to miss me.

Baby, tell me what you've got to say.

I don't mind, this is all of my song. I don't mind, goodbye, so long. 'Cause I know, I know, You're going to miss me.

Baby, can you ever let me go? You know, you know that I love you so. Why'd you ever leave me? Why'd you ever leave me? Oh, so we will die
