The Moody Blues, I'm Just A Singer (In A Rock &

I'm just a wandering on the face of this earth Meeting so many people Who are trying to be free

And while I'm traveling I hear so many words Language barriers broken Now we've found the key

And if you want the wind of change
To blow about you
And you're the only other person to know
Don't tell me
I'm just a singer in a rock and roll band

A thousand pictures can be drawn from one word Only who is the artist?
We gotta agree

A thousand miles can lead so many ways Just to know who is driving What a help it would be

So if you want this world of yours To turn about you And you can see exactly what to do Please tell me

I'm just a singer in a rock and roll band

How can we understand
Riots by the people for the people
Who are only destroying themselves
And when you see a frightened person
Who is frightened by the people
Who are scorching this earth
Scorching this earth

I'm just a wandering on the face of this earth Meeting so many people Who are trying to be free

And while I'm traveling I hear so many words Language barriers broken Now we've found the key

And if you want the wind of change To blow about you And you're the only other person to know Don't tell me

I'm just a singer in a rock and roll band

I'm just a singer in a rock and roll band

How can we understand Riots by the people for the people Who are only destroying themselves And when you see a frightened person Who is frightened by the people Who are scorching this earth Scorching this earth

Music is the traveller, crossing our world Meeting so many people

Bridging the seas
