

The Moody Blues, I Really Haven't Got The Time

You want me to ride
In your car outside
Spend some time with you
Just an hour or two

But I really, I really haven't
I really haven't got the time
I really, I really haven't
I really haven't got the time
I really haven't got the time

I'm a busy man
Workin' when I can
I got no time to lend
I got no time, time to spend

Oh no, I really, I really haven't
I really haven't got the time
Oh no, I really, I really haven't
I really haven't got the time
I really haven't got the time
Hey! Hey! Hey! Hey!

I really; I really haven't
I really haven't got the time
Oh no, I really; I really haven't
I really haven't got the time
I really haven't got the time

Workin' nine 'til five
Got to stay alive
I've got to stay alive
Find somebody who
Go find somebody who
Got some time for you
Who's got the time for you

But I really
No, no, no, no, I really haven't
I really haven't got the time
Oh no, I really
No, no, no, no, I really haven't
I really haven't got the time
I really haven't got the time
Really haven't got the time
Really haven't got the time
