

# The Moody Blues, Love Is On The Run

Just because it's raining here  
It doesn't mean the sun isn't shining  
Somewhere else for someone  
You have loved  
But who's not near you anymore

When your love is on the run  
Don't fall apart at what's begun  
It's just the healing process  
Of your heart

When your dream has lost its course  
Don't waste your time closing doors  
You'll be the last to know  
When love has gone

Love is on the run  
Love is on the run  
Love is on the run from me

Love is on the run  
Love is on the run  
Love is on the run from me

Couldn't find the words to say I love you  
Couldn't fight the hurt of holding on  
Couldn't hope  
Couldn't dream  
Couldn't see tomorrow  
Without your love  
I can't go on

Love is on the run  
Love is on the run  
Love is on the run from me

When your love is on the run  
Don't fall apart at what's begun  
It's just the healing process  
Of your heart

When your dream has lost its course  
Don't waste your time closing doors  
You'll be the last to know  
When love has gone

Love is on the run  
Love is on the run  
Love is on the run from me

Love is on the run  
Love is on the run  
Love is on the run from me

Love is on the run  
Love is on the run  
Love is on the run from me
