

The Moody Blues, Lovely To See You

A wonderful day for passing my way.
Knock and my door and even the score
With your eyes.

Lovely to see you again my friend.
Walk along with me to the next bend.

Dark cloud of fear is blowing away.
Now that you're here, you're going to stay
'cause it's

Lovely to see you again my friend.
Walk along with me to the next bend.

Tells us what you've seen in faraway forgotten lands.
Where empires have turned back to sand.

Wonderful day for passing my way.
Knock and my door and even the score
With your eyes.

Lovely to see you again my friend.
Walk along with me to the next bend.
