

The Moody Blues, New Horizons

Well I've had dreams enough for one
And I've got love enough for three
I have my hopes to comfort me
I got my new horizons out to sea

But I'm never going to lose your precious gift
It will always be that way
Cos I know I'm going to find my own peace of mind
Someday...

Where is this place that we have found
Nobody knows where we are bound
I long to hear, I need to see
Cos I've shed tears too many for me

But I'm never going to lose your precious gift
It will always be that way
Cos I know I'm going to find my own peace of mind
Someday...

On the wind soaring free
Spread your wings
I'm beginning to see
Out of mind far from view
Beyond the reach of a nightmare come true

Well I've had dreams enough for one
And I got love enough for three
I have my hopes to comfort me
I got my new horizons out to sea

But I'm never going to lose your precious gift
It will always be that way
Cos I know I'm going to find my own peace of mind
Someday...
Someway...
