

The Moody Blues, The Voice

Won't you take me back to school?
I need to learn the golden rule
Won't you lay it on the line?
I need to hear it just one more time

Oh won't you tell me again
Can you feel it?
Won't you tell me again
Tonight

Each and every heart it seems
Is bounded by a world of dreams
Each and every rising sun
Is greeted by a lonely one

Oh won't you tell me again
Can you feel it?
Won't you tell me again
Tonight

'Cause out on the ocean of life my love
There's so many storms we must rise above
Can you hear the spirit calling
As it's carried across the waves?
You're already falling
It's calling you back to face the music
And the song that is coming through
You're already falling
The one that it's calling is you

Make a promise, take a vow
And trust your feelings; it's easy now
Understand the voice within
And feel the changes already beginning

Oh won't you tell me again
Can you feel it?
Won't you tell me again
Tonight

And how many words have I got to say
And how many times will it be this way
With your arms around the future
And your back up against the past
You're already falling, it's calling you
On to face the music
And the song that is coming through
You're already falling
The one that it's calling is you

Each and every heart it seems
Is bounded by a world of dreams
Each and every rising sun
Is greeted by a lonely lonely one

Oh won't you tell me again
Can you feel it?
Won't you tell me again
Tonight
