

The Moody Blues, This Is The Moment

This is the moment
This is the day
This is the moment
When I know
I am on my way
Every endeavor
I have made ever
Is coming into play
Is here and now today

This is the moment
This the time
When the momentum
And the moment
are in rhyme
Give me this moment
My precious chance
I'll gather up my best
And make some sense atlast

This is the moment
When all I've done
All of the dreaming,
scheming
And screaming
becomes one
This is the day,
Just see it shine
When all that I have lived for
Becomes mine

This is the moment
This is the hour
When I can open up,
Tomorrow
like a flower
And put my hand to
Everything I plan to
Fulfill my grand desire
See all my stars align

This is the moment
My final test
Destiny beckoned
I never reckoned second best
I won't look back
I must not fall
This is the moment
The sweetest moment
Of them all

This is the moment
So double the odds
This day or never
I'll sit forever
with the gods
When I look back
I will recall
Moment for moment
This was the moment
The greatest moment of them all.
