

The Moody Blues, Under My Feet

It's a hard life
Never let yourself get down
You may never get back
You may never ever turn it round
You may say it took you by surprise
Never ending
Never changing
I didn't see through your disguise
It took my breath away

Under my feet
The earth shook
Under my feet
The earth just fell away
Under my feet
Gave way

Did you ever want to take a chance
Never thought the time would come round
Quite so fast
Would you walk right thro' that wall
And keep on walking till you
Couldn't stand on your feet no more
But you came and took me by surprise
When you stole up on me
I didn't see thro' your disguise
It took my breath away

Under my feet
The earth shook
Under my feet
The earth just fell away
Under my feet - gave way

Where were you
When I needed you
Where were you
When I needed you
Where were you
Where were you - I'm holding on

Under my feet
The earth shook
Under my feet
The earth just fell away
Under my feet - gave way

Under my feet
The earth shook
Right under my feet
Gave way
