The Move, California Man

Goin' to a party, Meet me out after school. Well we go to a place Where the jive is really cool. And if the band stops a playin' There's a jukebox in the hall.

Well put your blue dress on, And your folks all gone. You'll sure give the guys a ball.

Chorus:

Get that real guitar boy shakin', I'm a california man, Dance right on till the floors are breakin' I'm a california man.

Well I cross my mamma so bad And this a woman's just a making me mad. So I don't care if your legs start aching, I'm a california man. Oh my, I'm a california man.

Oh my legs start to shiver When I hear you call my name. Well, my knees keep a knocking, And I'm feeling tired bugs me down.

An' when we take off fine, An' my jeans are way down low. When I waggle my hips It's making me feel like a king of rock n' roll

Chorus
