

# The Move, Chinatown

Bury a jar of shao-sing  
When the girl is born  
Surely you know the wine will age  
Till she's fully grown  
Dont fly into the night  
Soon enough the world will end  
While the lantern is right

Chorus

I could find a good time girl in chinatown  
Chinatown  
Dancing in my shoes  
See the eastern ladies walking chinatown  
Chinatown  
Chain me down  
Chinatown

Maybe ill drink your jasmine tea

Then ill hurry home  
Surely you know the likes of me  
Should be left alone  
Why they like a me for  
Soon enough the world will end  
If I answer the door

Chorus

Look at the tall pagoda through  
Through your window pane  
Watching it by your dragon night  
On a cocoa day  
Youll discover the white  
Orchids in my humble moon  
While the lantern is right

Chorus
