

The Move, It'll Be Me (Live)

If you hear somebody knocking on your door
See somebody crawling out across the floor
Baby it'll be me
And I'll be looking for you

If you see somebody climbing up a telegraph pole
You find a new love then you shut the door
It'll be me
And I'll be looking for you

Chorus

I want to search in the city
Where might you be
I want to search the countryside

I want...

If you find a new bait on your fishing hook
You see a funny face in your comic book
It'll be me
And I'll be looking for you

Chorus

Repeat last verse

Chorus

Said I'll be looking for you
I'm gonna be looking for you
