

# The Move, Stephanie Knows Who (Live)

Whats on your mind  
Dear Stephanie?  
Whats on your mind  
Towards me?

Aches and pains  
They claw at your thighs  
Your glad you did  
You said you did

What can I say dear Stephanie?  
Who shall I kiss before?  
The love and poetry that you bring  
Your eyes your hair your everything

What am I now dear Stephanie?  
Am I you in disguise?  
The words they come so naturally  
I say them all for Stephanie
