

# The Move, Turkish Tram Conductor Blues

Hey Mr. judge, your trams are coming down the line  
The cargo ain't too much if you can chase the friends of mine  
I heard they smuggle in the goods  
Along the western union line

Once on a time the...kids...  
Been so unkind run over the inspector man  
Discovered they were yellow  
Finally threw them in the can

Chorus  
Turn over turn over

Turn over turn over  
Turn over turn over  
Id hate to throw you back again  
Oh yes

Turn the volume up until you blow the speaker cone  
Hey Mr. judge you have to give your dog a bone  
Theres a...in the rhino kitchen  
Send him on a china call

Repeat first verse

Chorus
