

# The Movement, Play It Safe

You don't know my world  
You don't know my kind  
I never share my feelings  
And I got no time

Do you want this boy?  
Do you want this girl?  
Do you take all your chances  
No!

Cause you play it safe  
In all the little things you do  
If you want your life  
Then put yourself at stake

You don't know my thoughts  
You don't see my heart  
I never seek reaction  
So it's not my fault

Is your life in vain?  
Do you want to change  
So you can make difference  
Yeah!

Cause you play it safe  
In all the little things you do  
If you want your life  
Then put yourself at stake
