

The Muffs, Another Day

Any other time of day
I would ever walk away
From you 'cause you haven't got a clue

When you always come around
I know that I maybe sound stupid
But I want to step on you

If you say another word to me
I'll make you sorry that you ever came my way
Another day
Another day
Yeah

If you want to be with me
Think of all my privacy
I'd appreciate you when you're gone

Doing everything I do
I wish I was rid of you
But you stay around me for too long

I know that you'll be here for a long time now
If I don't make you gone, you're gonna stay
Another day (4x's)

If you say another word to me
I'll make you sorry that you ever came my way
Another day (8x's)
