

# The Muffs, Better Than Me

You wanna think  
You're better than me  
And I don't think  
You're better than me  
Why don't you stay away  
Why don't you stay away

You give a damn  
You're better than me  
You're a man  
You're better than me  
Why don't you stay away  
Why don't you stay away  
From what you say and do  
Don't you think there's something wrong with you

You get a job  
You're better than me  
And I'm a slob  
You're better than me  
Why don't you stay away  
Why don't you stay away  
'Cause I don't even care  
I don't think you're really even there  
Even there

You comb you hair  
You're better than me  
You're aware  
You're better than me  
Why don't you stay away  
Why don't you stay away...
