

# The Muffs, I Need You

I need you so bad, yeah  
It's not a lot for me to ask  
Of you to lend a helping hand

I need you right now, yeah  
In every day and every way  
To love you yeah I don't know how

You don't want to take the time  
For the clearing of my mind  
Yeah it's just a waste of time  
I need you

Something always snaps at me whenever you're near  
Something always snaps at me whenever you're near

Something always snaps at me whenever you're near  
Something always snaps at me whenever you're near

I need you  
I need you  
I need you
