The Muffs, Is It All Okey?

Out of it and out of time
And out of everything
I can't believe it's true
And I can't believe I can't believe in you

You've gone away And I am already looking for a way And I know that I can't Waste another day

Is it all okay? (4x's)

Give it all or go away I gave it everything I had I'm feeling free And I'm happy now I'm really gonna be

I'm feeling great Maybe all my memories will go away And now maybe I can face Another day

(Repeat Chorus)

Do me right boy I never felt so bad You think you're great boy But now it makes me sick to think About the words you spoke Through your old wicked face

(Repeat Chorus)

Is it all okay or not?
