

The Muffs, Just A Game

Looking at you with a tear, oh no
Just don't let it get to you, oh no

Playing on your sympathy
Now you're the bad guy, can't you see

Don't you know it's just a game

You fell for it, give me a break, oh no
Taking more than you can give, oh no

Playing up your misery
And you're the victim can't you see

Don't you know it's just a game

Playing on your sympathy
Yeah you're the bad guy, can't you see

Don't you know it's just a game
