

The Muffs, Won't Come Out To Play

Hey, everybody listen to me
Listen to me
Listen to me

Hey, everybody listen to me
And I won't come out to play
I won't come out to play

Hey, everybody do it to me
Do it to me
Do it to me

Hey, everybody listen to me
And I won't come out to play
I won't come out to play

Help me
I think I'm quite a bit weathered
Maybe
I'll finally disappear it may take forever

I want
To look a little bit clearer
But your
Exaggeration clouds up my mirror

(Repeat First Verse & Chorus)
