

The Music, Breakin'

Going away there's nothing to stay for
Everything we do is some disease
Love is hidden by your fear
So don't make the mistake

Can't sit down
And I can't stand up
Cos if I do I know I'm gonna break
I can't stay in, and I can't go out
Cos if I do I know I'm gonna break

Uh-oh-uh-oh uh-oh yeah
Uh-oh-uh-oh uh-oh ohhh
Uh-oh-uh-oh uh-oh uh-oh

Cos you know I'm gonna break
Uh-oh-uh-oh uh-oh yeah
Uh-oh-uh-oh uh-oh ohhh
Uh-oh-uh-oh uh-oh uh-oh

Maybe the wait
Maybe the weight
Is too much for me to hold
Love is something
Nothing ever feels this way

It's time to come back
Can't sit down, and I can't stand up
Cos if I do I know I'm gonna break
I can't stay in, and I can't go out
Cos if I do I know I'm gonna break
Can't sit down, and I can't stand up
Cos if I do I know I'm gonna break
I can't stay in, and I can't go out
Cos if I do I know I'm gonna break

Uh-oh-uh-oh uh-oh yeah
Uh-oh-uh-oh uh-oh ohhh
Uh-oh-uh-oh uh-oh uh-oh

Cos you know I'm gonna break
Uh-oh-uh-oh uh-oh yeah
Uh-oh-uh-oh uh-oh ohhh
Uh-oh-uh-oh uh-oh uh-oh

Can't sit down, and I can't stand up
Cos if I do I know I'm gonna break
I can't stay in, and I can't go out
Cos if I do I know I'm gonna break

Uh-oh-uh-oh uh-oh yeah
Uh-oh-uh-oh uh-oh ohhh
Uh-oh-uh-oh uh-oh uh-oh
Cos you know I'm gonna

Can't sit down, and I can't stand up
Cos if I do I know I'm gonna break
I can't stay in, and I can't go out
Cos if I do I know I'm gonna break
