

The Music, Too High

This
Mountain
They
Want to climb it
Too far
Too high
Too hard to climb
Too far
Too high
Too hard to climb

They
Didn't want to
They
Didn't want to
Too far
Too high
Too hard to climb
Too far
Too high
Too hard to climb

This
Mountain
They
Want to climb it
Too far
Too high
Too hard to climb
Too far
Too high
Too hard to climb
Too far
Too high
Too hard to climb
Too far
Too high
Too hard to climb
To climb
