

The Music, You Might As Well Try To Fuck Me

Written By: The Music

You might as well try to fuck me
You might as well try to fuck me

Let me look into your eyes
Tell me what ya see baby
As I look in to your eyes

Tell me baby
Can I call your name
the way I'm feeling now?
I'm gonna do the same yeah

You might as well try to fuck me
You might as well try to fuck me
You might as well try to fuck me
You might as well try to fuck me

Let me look into your eyes
Tell me what ya see baby
As I look in to your eyes

Tell me baby
Can I call your name
the way I'm feeling now?
I'm gonna do the same yeah

You might as well try to fuck me
You might as well try to fuck me

You might as well try to fuck me
You might as well try to fuck me
You might as well try to fuck me
You might as well try to fuck me
