

The Naked Brothers Band, Catch Up With The End

No time for feelings or for love,
Worship the man on the bustop,
ruining the day of a woman on the subway,
I'll Catch up with the end
Running like a chicken without its head,
The universe is doing so, (ooh ah ay)
Rocking to bed a baby thats not yours,
Catch up with end

Don't do as i do
Won't you do as i say?
I might make people angry,
Thats a risk I'll take.

Catch up with the end {x4}
