

# The Naked Brothers Band, Girl Of My Dreams

[Verse: Nat]

My mind turned around  
I'm seeing things upside down  
My mind turned around  
I'm acting like a clown

[Chorus:]

Cause the girl of my dreams  
Was right next to me and she was  
Sitting on my lap  
I didn't catch your name  
But I'm going insane  
I'm in love with the girl

[Verse: Nat]

I will find her  
I will get her  
I will make her  
Little heart come through  
I will see her  
From miles away  
From night to day  
In my head

[Verse: Nat and Rosalina]

Oh ah  
Oh hoo  
What if the girl of dreams  
Was right next to me

[Chorus:]

The girl of my dreams  
Was right next to me and she was  
Sitting on my lap  
I didn't catch your name  
But I'm going insane  
I'm in love with the girl  
I will dream of her  
when she's not there  
But when she is

I will

I will need her  
up as until now  
I will vow

To her affection

[Nat and Rosalina]

oh ah

oh hoo

[Chorus x2]

I'm in love with the girl [x3]

Oooooooooweeeeeee
