

The Naked Brothers Band, I Couldd Be (Alex's Song)

I could be anything I wanna be
I could be anything I wanna be
like a bird flying up in the tree
like a bee stinging for honey
I could be anything I wanna be
I could be anything I wanna be
like a fish swimming in the sea
like a copy of someone like me
I could be
I could be
I could be

I could be
I could be anything I wanna be
I could be anything I wanna be
like a rapper for example Jay Z
like a skateboard prodigy
I could Be
I could be
I could be
I could be
I could Be
I could BE!
