

# The Neighbourhood, Scary Love

Move to the city with me  
I don't want to be alone  
You too pretty for me  
Baby, I know, it's true, yeah  
Even better when you first wake up  
Than anybody else I've loved  
Baby, I got good luck with you  
I didn't know we'd get so far  
And it's only the start  
Baby, you got me worried

Your love is scaring me  
No one has ever cared for me  
As much as you do  
Yeah, I need you here  
Your love is scaring me  
No one has ever cared for me  
As much as you do  
Yeah, I need you here

Ridin' through the city with me  
Just watching you glow  
I'm in the passenger seat  
You're in control (it's on you now)  
Yeah, even better every day, I swear  
Baby, it's a little unfair  
Baby, I'm starstruck by you  
I didn't know we'd get so far  
And it's only the start  
Baby, you got me worried

Your love is scaring me  
No one has ever cared for me  
As much as you do  
Yeah, said I need you here  
Your love is scaring me  
No one has ever cared for me  
As much as you do  
Yeah, said I need you here

If we fall apart  
Maybe it wasn't meant to be  
If we fall apart  
Then it was our favourite dream

Your love is therapy  
No drug can give me clarity  
As much as you do  
Yeah, I need you here

Your love is scaring me  
No one has ever cared for me  
As much as you do  
Yeah, said I need you here  
Your love is scaring me  
No one has ever cared for me  
As much as you do  
Yeah, said I need you here
