

# The Neighbourhood, Yellow Box

can we begin again?  
just start all over  
I gave everything I can  
I am dying to live again  
just start all over  
I'm dying to live again  
I'm doing my best

I hope  
god knows  
i got a feeling  
i got a feeling  
it ain't living  
it ain't living

I am done beliving  
if I don't see it  
like a secret  
would like to keep it

can we begin again?  
just start all over  
I gave everything I can  
I am dying to live again  
just start all over  
I'm dying to live again  
I'm doing my best
