

The Network, Love And Money

Spin a wheel
Behind the mark
Another deal
In the dark
In the red
And in the grey
Dangerous
With a kiss
On a take
At the zoo
On a make
Sniffing glue
In a bind
In your mind
Runaway
You're ok
Then you crack
Take a pill
Wide awake
Sanding still
On the street
Cut the cord
You're in debt
You're so bored
Covered in sweat
Kickin' in
With a grin
Going out
With a bang
Huffing fumes
Walk the line
Luftballoons
In my spine
Then you crack
Love and money
Well spent
Love and money
Well spent
And then you crack
