The Network, Love And Money

Spin a wheel
Behind the mark
Another deal
In the dark
In the red
And in the grey
Dangerous
With a kiss
On a take
At the zoo
On a make
Sniffing glue
In a bind
In your mind
Runaway

You're ok

Then you crack Take a pill

Wide awake

Sanding still On the street

Cut the cord

You're in debt You're so bored

Covered in sweat

Covered in swi

With a grin

Going out With a bang

Huffing fumes

Walk the line

Luftballoons

In my spine

Then you crack

Love and money

Well spent

Love and money

Well spent

And then you crack
