

The Nitty Gritty Dirt Band, Fishing In The Dark

Lazy yellow moon comin' up tonight
Shinin' through the trees
Crickets are singin' and lightning bugs
Are floatin' on the breeze
Baby get ready
Across the field where the creek turns back
By the old stump row
I'm gonna take you to a special place
That nobody knows
Baby get ready
Ooooh - Ooh!

You and me go fishin' in the dark
Lyin' on our backs and countin' the stars
Where the cool grass grows
Down by the river in the full moonlight
We'll be fallin' in love
In the middle of the night
Just movin' slow
Stayin' the whole night through
It feels so good to be with you!

Spring is almost over and the summer's come
And the days are gettin' long
Waited all winter for the time to be right
Just to take you along
Baby get ready
And it don't matter if we sit forever
And the fish don't bite
We'll jump in the river and cool ourselves
From the heat of the night
Baby get ready
Ooooh - Ooh!

You and me go fishin' in the dark
Lyin' on our backs and countin' the stars'
Where the cool grass grows
Down by the river in the full moonlight
We'll be fallin' in love
In the middle of the night
Just movin' slow
Stayin' the whole night through
It feels so good to be with
You and me go fishin'

(You and me go fishin' in the dark)
in the dark

Lyin' on our backs and countin' the stars
Where the cool grass grows
Down by the river (Down by the light)
in the full moonlight
We'll be fallin' in love
(We'll be fallin' in love)
in the middle of the night
Just movin' slow
You and me go fishin' (You and me go
fishin' in the dark) in the dark
Lyin' on our backs and countin' the stars
Where the cool grass grows
