Hello, I am your heart And you've got me broken one too many times Oh, hello, this is your heart speaking And you've got me hurt boy one too many times

Goin' away on a little vacation I'll be gone quite a while You won't have you no lovemakin' You just have that ten cent smile

Goodbye, this is your heart leaving I wish you the best luck while I'm healing up

Oh hello, this is your heart

I just telephoned to see how you're getting by. Oh hello, this is your heart calling, Well, I've got to run now, but I'll drop you a line.
