

# The Nitty Gritty Dirt Band, Some Of Shelley's Blues

Tell me, just one more time, the reason why you must leave;  
Tell me once more why you're sure you don't need me  
Tell me again but don't think you'll convince me.

You said, about fallin' in love again you'd rather be dead;  
When someone breaks your heart you cry your eyes red  
There's nothing so hard about the life that you've led.

As far as I can see, there's no reason for goodbye,  
You're just running scared, and that's something I won't buy.  
So you lose, I won't let you go, there's nothing to show but more blues

All this talk about leaving is strictly bad news  
So you settle down and stay with the boy that loves you
