

# The Noisettes, Don't Upset The Rhythm

Don't upset the rhythm though  
Don't upset the rhythm  
Don't upset the rhythm though  
Don't upset the rhythm  
The time is right  
Th' sun is sleeping in the sky  
Free old mine  
You never know what you might find  
What's your vise ?  
You know we won't compromise  
So let me show you  
Something super beautiful  
Lets rock the boat  
The magic is unstoppable !  
For I'm the flow  
That's the rhythm you've been wai-ting for  
Pure delight - Gives me a hot ride !  
Bridge:  
Its all up to you  
And whatever you do (don't)  
Cut into my action  
4-3-2-1..  
(Go baby, go baby GO !)  
Don't upset the rhythm though  
(Go baby, go baby GO !)  
Don't upset the rhythm  
(Go baby, go baby GO !)  
Don't upset the rhythm though, don't you dare  
(Go baby, go baby GO !)  
Don't upset the rhythm  
Skin and bone  
And the baton microphone  
Can't get home  
But you can use my dog and bone  
We'll crank that stereo  
Even when the speakers blow  
D-I-Y  
Just meet me up in paradise..
