

The Nolans, I'm In the Mood for Dancing

I'm in the mood for dancin', romancin'
Ooh I'm given' it all tonight
I'm in the mood for chancin'
I feel like dancin'
Ooh so come on and hold me tight

Dancin', I'm in the mood, babe
So let the music play
Ooh I'm dancin', I'm in the groove, babe
So get on up and let your body sway
