

The Notwist, Consequence

You're the colour,
you're the movement and the spin.
Never could it stay with me
the whole day long.
Fail with consequence, lose with eloquence and smile.
I'm not in this movie
I'm not in this song.
Never leave me paralyzed, love,
leave me hypnotized, love.

You're the colour,
you're the movement and the spin.
Never could it stay with me
the whole day long.
Fail with consequence, lose with eloquence and smile.
You're not in this movie
You're not in this song.
Never leave me paralyzed, love,
leave me hypnotized, love.
