

The Notwist, One Step Inside Doesn't Mean You.

Prepare your shoes not to come back soon
Prepare your heart not to stop too soon
You cannot walk with us

One step inside doesn't mean you'll understand
One step inside doesn't mean I'm yours

In your world my feet are out of step
And my arms won't move, my hands won't grab
I will never read your stupid map
So don't call me incomplete
You're the freak
