

The Oak Ridge Boys, Baby, You'll Be My Baby

Daybreak pressin' on the window pane
No music playin' no mornin' rain
Nothin' but feelings leading me on
I'm just talkin' to you while you sleep in my arms.

As long as I'm here on earth
Baby you'll be my baby
All of my love's in these simple words
Baby you'll be my baby
As long as I'm here on earth.

Life isn't perfect and never will be
But it doesn't matter 'cause you're perfect for me
Through heartaches and mistakes, passion and pain
Down to my last breath I'll call your name.

As long as I'm here on earth
Baby you'll be my baby
All of my love's in these simple words
Baby you'll be my baby
As long as I'm here on earth.

Oh, Baby you'll be my baby
As long as I'm here on earth.

Oh yeah,
Can you see me now
Just As long as I'm living.
Just as long as I'm living, baby

Are you listening to me now, oh yeah
Just as long as I'm with you
Just as long, just as long
ooo Oh as a miracle ooo Oooaa

Just as long as I'm with you
Just as long, just as long
Oh it's a miracle

Just as long as I'm with you
Just as long, as I'm with you baby
Oh, listen to me what I'm saying to you

Just as long as I'm with you
Just as long, just as long
Say now

Just as long as I'm with you...
