

The Ocean Blue, Cathedral Bells

"Charlemagne, your swords and your coattails are broken."
"Prince of Wales, these words that you have spoken are token."

Oh, let's emerge from the shadows
Oh, let's emerge from the shadows

"Socrates, this world of ideas has all faded."
"Solomon, your pages of gold are all jaded."

Oh, let's emerge from the shadows
Oh, let's emerge from the shadows

"Charlemagne, your swords and your coattails broken."
"Prince of Wales, these words that you have spoken are token."

Oh, let's emerge from the shadows
Oh, let's emerge from the shadows
