

The Offspring, Come to Brazil

Whoa

All our fans, well they're really great
But the ones from Brazil, they really take the cake
DM'ing all the time, they're begging say you will
Say you'll come to Brazil
You'll love the beaches, you'll love the thongs
From the Corcovado to the Amazon
And the caipirinhas indeed you'll swill
When you come to Brazil

Whoa

Come to Brazil
Come to Brazil

It doesn't matter how many times we came
'Cause they want us back again just the same
And the flights are long but they won't stop until
Until we come to Brazil
So if you want to party and rock and roll
With a kiss on both cheeks
And more churrasco
Then bring a lot of guitar picks and sharpie skills
When you come to Brazil

Whoa

Come to Brazil
Come to Brazil
Come to the Verde E Amarelo
Come to Brazil
(GO)
(Come To Brazil)
(Whoa, Oh, Yeah yeah yeah, Yeah yeah yeah)

Whoa

Come to Brazil
Come to Brazil
Come to the Verde E Amarelo
Come to Brazil

Olé olé olé olé
