

The Offspring, Days Go By

Weren't you the light
It won't save you tonight
All our lesson is?
Pictures lost in time
Never enough, towers crumble to dust.
Looking back on the moments of our lives
All your anger, all your hurt
It doesn't matter in the end
Those days go by and we all start again
What you had and what you lost
They're all memories in the wind
Those days go by and we all start again
Stars still burn bright, seasons change over night
As we find a way, the times they come and go
Look back in love, a new day rises above
With no end it comes, to carry you back home
All your anger, all your hurt
It doesn't matter in the end
Those days go by and we all start again
What you had and what you lost
They're all memories in the wind
Those days go by and we all start again

Oh, oh days go by
All your anger, all your hurt
It doesn't matter in the end
Those days go by and we all start again
What you had and what you lost
They're all memories in the wind
Those days go by and we all start again
What you had, what you lost
What you had, what you lost
Those days go by
Those days go by
Those days go by
