

# The Offspring, Denial, Revisited

So here we go  
Having the same old fight again  
Though there she goes  
Same old game that never ends  
If I could say all the right words  
I know I could make you stay  
If I could say all the right words  
Things would work out alright  
And if you go  
I won't believe  
That it's forever  
And you can go  
I'll never leave  
'Cause it's not over  
Replay last night  
Talking it out don't make it right  
I know she's tried  
But my whole world is her  
And all we've got now  
And if you go  
I won't believe  
That it's forever  
I won't let go  
Even if she  
Says that it's over  
I know it'll be  
Different this time  
If you'd just stay  
And when we wrote this story  
How did it end?  
It was you and me for all our lives  
Come on don't say it  
We'll try again  
And if I'd just hold you  
We could last  
But she stands softly  
Tears down her face  
Hitting me, oh God  
This is the end  
I'd wait here for you  
But there's nothing more now I can do  
How did you know?  
How did you know?  
How did you know?  
Finally
