

# The Offspring, It's Cool To Hate

I hate a lot of things  
I hate a lot of people that are lame  
I like to hate stuff  
Cause then I don't have to try and make a change  
I hate teachers  
I hate school  
I hate the cheerleaders  
And anyone whos's cool  
I hate the office  
I hate the quad  
Don't wanna learn nothing  
I want to be a slob  
It's cool to hate  
It's cool to hate  
I don't like nothing and I like that fine  
It's cool to hate  
It's cool to hate  
I don't like nothing and I like that fine  
I don't like nothing and I like that fine  
Yeah I hate everything  
I even hate you too  
So fuck you  
I'm always thinking bad  
I never have nothing good to say  
I'd rather tear things down  
Than build them up  
It's easier that way  
I hate the jocks  
And I hate the geeks  
I hate the trendies  
But I also hate the freaks  
I hate Dr. Martens  
And muscle tee's  
I'm only happy when I'm in my misery  
It's cool to hate  
It's cool to hate  
Liking something's just a waste of time  
Liking something's just a waste of time  
Yeah I hate everything  
I even hate me too  
So fuck you  
I'll cut you down and give you lip  
Being positive's so unhip  
I'll cut you down cause I'm a fool  
Being positive's so uncool  
I hate the jocks  
And I hate the geeks  
I hate the trendies  
But I also hate the freaks  
I hate your band  
And I hate tv  
I'm only happy when I'm in my misery
