

The Offspring, Make It All Right

All I want to do is to fly away with you
Ba-ba-da, ba-ba-da
Ba-da, ba-ba-da
Ba-da-ba-ba-ba
Ba-ba-da, ba-ba-da
Ba-da, ba-ba-da
Ba-da-ba-ba-ba

No matter what I say
You're always there to give a smile
Just suck it up, you'll say
Say it only hurts for a while

Show me the way (Hey)
Never obey (Hey)
Give me black clouds on a summer day
No matter what, it's fine
We're like one step over the line

Say don't, away you go
Turn around, you're gonna make it so it's all right
Ba-ba-da, ba-ba-da
Ba-da, ba-ba-da
Ba-da-ba-ba-ba
And you'll make it all right
Ba-ba-da, ba-ba-da
Ba-da, ba-ba-da
Ba-da-ba-ba-ba
All I want to do is to fly away with you

We're gonna fly away
Making fun of everyone
We'll wax our wings and pay
And don't get too close to the sun

Show me the way (Hey)
Never obey (Hey)
Give me black clouds on a summer day
No matter what, it's fine
You're like one step over the line

Say don't, away you go
Turn around, you're gonna make it so it's all right
Ba-ba-da, ba-ba-da
Ba-da, ba-ba-da
Ba-da-ba-ba-ba
And you'll make it all right
Ba-ba-da, ba-ba-da
Ba-da, ba-ba-da
Ba-da-ba-ba-ba
And you'll make it all right

And you'll make it all right
And it's gonna be fine
We're like partners in crime
And you'll make it all right
And it's gonna be fine

Show me the way
Never obey
Give me black clouds on a summer day
You know I don't mind you
Super, no they're two
We're like partners in crime

Say don't, away you go
Turn around, you're gonna make it so it's all right
Ba-ba-da, ba-ba-da
Ba-da, ba-ba-da
Ba-da-ba-ba-ba
And you'll make it all right
Ba-ba-da, ba-ba-da
Ba-da, ba-ba-da
Ba-da-ba-ba-ba
All I want to do is to fly away with you
And it's gonna be fine
Ba-ba-da, ba-ba-da
Ba-da, ba-ba-da
Ba-da-ba-ba-ba
All I want to do is to fly away with you
And you'll make it all right
Ba-ba-da, ba-ba-da
Ba-da, ba-ba-da
Ba-da-ba-ba-ba
All I want to do is to fly away with you
And it's gonna be fine
Ba-ba-da, ba-ba-da
Ba-da, ba-ba-da
Ba-da-ba-ba-ba
Turn around, you're gonna make it so it's all right
Ba-ba-da, ba-ba-da
Ba-da, ba-ba-da
Ba-da-ba-ba-ba
Turn around you're gonna make it
Make it all right
