

# The Offspring, Original Prankster

Until the break of dawn  
Life life  
Cannot go by the letter  
Time time  
Prozac can make it better  
Noise noise  
Any kind will do  
Can you feel it slip away  
When it's all on you

Crime crime  
Rockin' like Janet Reno  
Time time  
Eighteen and life in Chino  
Freud Freud  
All along it's true  
Well you'll see there comes a day  
Catches up to you

Knock down the walls, it's alive in you  
Knock down the place, you're alone it's true  
Knock down the world, it's alive in you  
You gotta keep your head up through it all  
You're gonna  
Bust out on it - original prankster  
Break out yeah - original yeah  
Bust out on it - original prankster  
You never stop now, stop now  
That's what the main man say

You know it smells like shit  
Goddamn  
Tag team the double header  
Son of Sam  
Fire always makes it better  
Navigate  
With style and aplomb  
Cause wherever you're at  
That's the tip you's on

Lies, lies  
Says he's down in the Bahamas  
Tries tries  
Bangin' little hoochie mamas  
No way  
None of this is true  
Well he'll see there comes a day  
When the joke's on you yeah

Dime dime  
So good to see ya  
Nine nine  
Don't want to be ya  
Crime crime  
Fine sensimilla
