

# The Offspring, Staring At The Sun

Maybe life is like a ride on a freeway  
Dodging bullets while you're trying to find your way  
Everyone's around, but no one does a damn thing  
It brings me down, but I won't let them

If I seem bleak  
Well you'd be correct  
And if I don't speak  
It's cause I can't disconnect  
But I won't be burned by the reflection  
Of the fire in your eyes  
As you're staring at the sun

When I ran I didn't feel like a runaway  
When I escaped I didn't feel like I got away  
There's more to living than only surviving  
Maybe I'm not there, but I'm still trying

Though you hear me  
I don't think that you relate  
My will is something  
That you can't confiscate  
So forgive me, but I won't be frustrated  
By destruction in your eyes  
As you're staring at the sun
