

The Offspring, When You're In Prison

When you're in prison, don't turn the other way
Keep your back against the wall
When you're in prison, don't turn the other way
Do not bend at all

Oh don't pick up the soap, pick up the soap
It's bad for you

Oh don't pick up the soap, pick up the soap
Someone will be waiting there for you

When you're in prison be sure to stay awake
Always lie upon your back

When you're in prison be sure to stay awake
Keep you from attack

Oh don't be no one's bitch, be no one's bitch
It's bad for you

Oh don't be no one's bitch, be no one's bitch
They won't help you make it through.

When you're in prison, don't turn the other way
Follow what I say to do.

When you're in prison, don't turn the other way
You can make it through
You can make it through
You can make it through
